

# Skyliners Patches Order Form

They are eight (8) inches tall and twelve (12) inches wide. Many of the members have asked for these so they could sew them on their own jackets. The price is \$20.00 each plus postage. The individual postage is \$1.00 per unit for first class mail. \$1.50 postage for two (2) units and \$2.00 postage for three (3) units. If they purchase more than these amounts I would probably send them by priority mail. I am not sure what the new price (effective 5/14/07) is going to be for

priority mail. These patches are now available.

We also have a small 3" X 4 1/2" arm or pocket patch. These are heat seal and pressure sensitive backing. They can be heat pressed with an iron on any garment that can be ironed. These look just like the large patches except they are considerably smaller. The cost of this patch is \$5.00 which includes the postage. Be sure to spell out in your order which size and how many of one or the other or both.
